

# ÉCIJA

## Churches and Palaces .....by Horse Carriage

ÉCIJA, millenary city located halfway between Cordoba and Seville boasts an unmatched Monumental Heritage. A nice tour Horse carriage to admire its churches and palaces which have made Écija city with a rich Civil Heritage, since it came to live more than 13 families held the title of Great of Spain.

Through the visit to their facades, patios and indoors we will know the splendour of the city.
